

WELCOME TO WAUMBA LAND!

We are so glad you chose to trust us with the care of your child. Here are some helpful details for your family.

Special Needs and Allergies

Please notify us of any allergies, medical needs, or behavioral special needs so we can best help your children. For your convenience, we provide Cheerios as a snack in the classrooms. Rice Chex is available upon request for children with allergies. No outside food is permitted. (Labeled bottles for babies and crawlers are allowed.)

Safety and Security

Check-In Process

In order to provide the safest environment for your children, we follow a strict check-in process. Check-in begins 30 minutes before the service hour.

Background Checks

All Waumba Land volunteers are carefully trained and background-checked before serving in our classrooms.

Relationships

We believe a consistent environment is best for preschoolers, so we encourage your children to attend the same hour each week. They will make friends and have the same small group leaders.

Wellness

Children who have shown signs of fever, vomiting, or other contagious illnesses should be symptom-free and fever-free for 24 hours before coming to Waumba Land.
